Fishing Licenses and Permits

The permit ticket holder is obliged to keep the license with him/her and to submit it to inspection authorities (surveillances, gendarmerie, customs officers, etc.) on demand. License fees of unused fishing days are not to be refunded. Permit tickets and visitor tickets are not negotiable. If the fishing regulations mentioned on the fishing license backpage are violated, the ticket can be removed and no more ticket will be issued for the common season! Fishing activities have to be carried out at own risk. Vegetation and facility damage should be avoided (personal liability). By signing the permit ticket, the fishing visitor agrees with the terms of conditions.

Fishing License – Issue Limitation

Independently of your accommodation, the fishing licenses are exclusively available at our place. We are recommending you to contact us per phone or per e-mail in advance because of daily fisher limitations. We would like to answer all your questions relating to fisheries.

Payment

Cash payment upon pickup, or remittance of the amount payable on our bank account in advance.
